The session began with PPT presentation given by Mr. Aniket Jondhale on “Pre Placement Talk.

- Mr. Aniket Jondhale gave a speech on Importance and role of Practical knowledge required in Industry.
- During the session practical skill sets requirements and how you can improve, tips and tricks suggested to students. Students cleared their doubts by asking questions and got satisfied after getting an answer.

Highlights proposed by Mr. Aniket Jondhale are as follows.

- He provides detail information about Grade E, have a mission to provide a 360-degree mentorship to the students in the areas of valuable skills that will assist them to ace the Campus Placements and equip them with skills that will help them to excel in their 'Corporate Journey'.
- Leveraging meaningful experiences from the corporate sector, Mr. Aniket Jondhale have identified many factors and soft skills that students lack despite their expertise in technical knowledge. And these skills are the X-factors when it comes to acing the campus placements and excelling in the corporate world.
- They have structured a dual-phase approach to mentor the students,
Chapter 1. Placement Ready
Chapter 2. Corporate Excellence
- 'Placement preparation' with the Personal Interview process. All the details regarding an HR Interview were shared with the students and the students displayed great zeal to understand the nuances of the Interview process.
